

## **Suggested Interview Questions - Consumer**

During the phone interview remember to ask your deal breaker questions (i.e. allergic to smoke, start time 9am sharp, reliable transportation, specific days). If it sounds like a potential match make an appointment for the face-to-face interview.

- Can you tell me something about yourself?
- Are you available to work the following days and times?
- Give the Provider a description of the tasks (i.e. meals, personal assistance needs, transportation). Would you have any problem doing anything on the job description?
- Do you have experience as a Provider?
- Do you smoke?
- Are you allergic to smoke?
- Are you allergic to pets?
